DAVID A. MacKOUL, M.D.
ANNETTE M. ST. PIERRE-MacKOUL, M.D.
ERIC W. JONES, M.D.

June 20, 2007

To Whom It May Concern:

Our firm contracted Ringland Constructon, to build our medical office building in Ft. Myers, Florida. There office staff, field supervisors and sub-contractors worked smoothly to deliver a high quality product in a timely manner.

During construction, our firm found the need to make unforeseen changes to original plans. Ringland Construction, handled these change orders quickly and professionally. Throughout the project we were made to feel confident that this project was a win/win situation for both parties.

Mackoul Pediatrics would like to take this time to express our appreciation, to Ringland Construction, for a job well done.

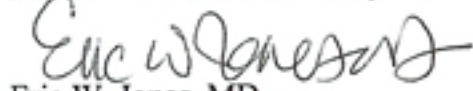

Sincerely,

David A. Mackoul, MD

Annette St. Pierre-Mackoul, MD.

Eric W. Jones, MD.

Jane E. Dupuy
Practice Administrator
