Re: Letter of Recommendation
Russ Ringland
Ringland Construction

To Whom It May Concern:

This is to serve as a reference letter for Russ Ringland of Ringland Construction.

I have known Russ for over 10 years on both a personal and professional level and have found him to be reliable, forthright, knowledgeable and honest. These qualities are also evident in the work product and projects Ringland Construction has permitted.

Professionally, I have dealt with the company on numerous projects as they have gone through the entitlement process. The projects are always well designed. Russ will follow their projects through the process; he is hands-on and timely. We have an excellent working relationship with the company.

I highly recommend Russ for any state contracts.

Sincerely,
